PRIVACY POLICY & DATA PROTECTION NOTICE

Quantmind — Effective Date: 1 March 2026 | Last Reviewed: March 2026

Legal Basis

This Privacy Policy is issued pursuant to the Data Protection Act, 2019 (No. 24 of 2019) of Kenya ("DPA"), the Kenya Information and Communications Act (Cap. 411A), the Computer Misuse and Cybercrimes Act, 2018, and any regulations made thereunder. It applies to all users of the Quantmind mobile application, website (quantmind.app), and associated services accessed from within or outside the Republic of Kenya.

1 IDENTITY OF THE DATA CONTROLLER

Quantmind ("we", "us", "our") is the Data Controller responsible for the collection, processing, storage, and use of your personal data in connection with the Quantmind platform. Contact details for all data protection matters are as follows:

Detail	Information
Business Name	Quantmind
Platform	quantmind.app
Data Protection Contact	privacy@quantmind.app
Physical Address	Nairobi, Kenya
Governing Law	Data Protection Act, 2019 (Kenya)
Data Protection Officer	To be appointed pursuant to DPA Section 24

2 DATA WE COLLECT

In the course of providing the Quantmind platform, we collect the following categories of personal data:

2.1 Registration and Identity Data

- Email address and, where provided, first and last name
- Authentication credentials (stored in encrypted form via Supabase Auth)
- Authentication method used (email/password, magic link, Apple Sign-In, Google OAuth)

2.2 Financial and Portfolio Data

- Asset tickers, portfolio weights, expected return and volatility parameters
- Correlation matrices and simulation configuration parameters
- Simulation results including risk metrics (VaR, CVaR, Sharpe Ratio, etc.)

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

- Historical simulation records stored in the Quantmind database

2.3 Subscription and Billing Data

- Subscription tier and entitlement status
- Payment processing data managed by RevenueCat (Quantmind does not store card numbers or payment credentials)
- Billing history and trial period information

2.4 Device and Technical Data

- Device type, operating system, and application version
- IP address and approximate location (country/region level)
- Crash reports and error logs collected via Sentry (PII stripped before transmission)
- Biometric authentication preferences (local to device; biometric data is never transmitted to our servers)

2.5 Usage and Analytics Data

- Feature usage events, simulation counts, AI query logs
- Session duration, navigation patterns, and in-app interactions
- AI session logs (model used, task type, token counts, latency) — portfolio data and user PII are stripped from AI context before processing

2.6 Communications Data

- Support ticket content and correspondence
- Waitlist email addresses and referral tracking parameters

3 LEGAL BASIS FOR PROCESSING (DPA 2019, SECTION 30)

Pursuant to Section 30 of the Data Protection Act, 2019, Quantmind processes personal data under the following lawful bases:

Legal Basis	Processing Activity
Contract Performance (s.30(b))	Account creation, portfolio management, simulation delivery, subscription management
Legitimate Interests (s.30(f))	Security monitoring, fraud prevention, product improvement, crash analytics
Consent (s.30(a))	Marketing communications, optional analytics, cookie placement (non-essential cookies)

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

Legal Obligation (s.30(c))	Responding to lawful government requests, regulatory compliance, audit log retention
Vital Interests (s.30(d))	Not applicable in ordinary operations; reserved for emergency circumstances

4 HOW WE USE YOUR DATA

We process personal data for the following purposes:

- To create and maintain your Quantmind account and authenticate your identity
- To execute Monte Carlo simulations and return personalised risk analytics
- To route AI queries to the appropriate model and deliver streaming AI responses
- To process subscription payments through RevenueCat and enforce entitlement limits
- To send transactional emails (account confirmation, password reset, subscription receipts)
- To send marketing communications where you have provided consent, with a clear opt-out
- To monitor platform health, detect errors, and improve performance
- To comply with applicable Kenyan law and respond to lawful requests from authorities
- To resolve support tickets and improve user experience

5 DATA SHARING AND THIRD-PARTY PROCESSORS

Quantmind does not sell your personal data. We share data only with the following categories of processors under contractual data processing agreements:

Processor	Purpose & Data Shared
Supabase Inc.	Database hosting, authentication, Edge Function execution — stores account data, portfolios, simulations
Anthropic PBC	AI model inference — receives stripped portfolio context only; no email, name, or account ID transmitted
RevenueCat Inc.	Subscription and in-app purchase management — receives subscription status and purchase receipts
Sentry Inc.	Error and crash reporting — receives anonymised stack traces; scrubFields configured to exclude passwords, tokens, portfolio data
Vercel Inc.	Web and dashboard hosting — processes web request logs and performance data
Railway Corp.	Simulation microservice hosting — processes simulation parameters within the request lifecycle only
Resend Inc.	Transactional and marketing email delivery — receives email address and first name only
Expo (Expo Inc.)	Mobile build infrastructure and OTA update delivery

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

All third-party processors are required to process data only on our documented instructions and to implement appropriate technical and organisational security measures.

6 CROSS-BORDER DATA TRANSFERS

Some of our third-party processors are located outside Kenya. Where personal data is transferred outside Kenya, we ensure such transfers comply with Section 48 of the Data Protection Act, 2019 by:

- Transferring only to countries offering an adequate level of data protection as recognised by the Office of the Data Protection Commissioner of Kenya (ODPC); or
- Implementing Standard Contractual Clauses or equivalent contractual safeguards with the receiving entity; or
- Obtaining your explicit consent to the transfer where required.

7 DATA RETENTION

We retain personal data only for as long as is necessary for the purposes for which it was collected, or as required by law:

Data Category	Retention Period
Account & identity data	Duration of account plus 7 years after account closure (for legal/audit purposes)
Portfolio and simulation data	Duration of account; deleted within 30 days of account deletion request
Billing and subscription records	7 years from transaction date (Kenya Tax Compliance)
AI session logs	90 days rolling, then anonymised aggregate retention
Analytics events	24 months rolling
Support tickets	3 years from ticket closure
Admin audit logs	7 years (immutable; required for compliance)
Crash and error logs	90 days
Waitlist data (non-converted)	18 months from signup, then purged

8 YOUR RIGHTS UNDER THE DPA 2019

Pursuant to Part IV of the Data Protection Act, 2019, you have the following rights with respect to your personal data:

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

Right	Description
Right to be Informed (s.26)	To know what data we hold, why we hold it, and with whom we share it — satisfied by this Privacy Policy
Right of Access (s.26)	To request a copy of all personal data we hold about you
Right to Rectification (s.38)	To request correction of inaccurate or incomplete data
Right to Erasure (s.39)	To request deletion of your data (subject to legal retention obligations)
Right to Restrict Processing (s.40)	To request we limit how we process your data in certain circumstances
Right to Data Portability (s.38)	To receive your data in a structured, machine-readable format
Right to Object (s.41)	To object to processing based on legitimate interests or for direct marketing
Right to Withdraw Consent (s.42)	To withdraw consent at any time where processing is consent-based, without affecting prior processing
Right not to be subject to automated decisions (s.43)	To request human review of decisions made solely by automated processing that significantly affect you

To exercise any of these rights, contact us at privacy@quantmind.app. We will respond within 21 days as required by the DPA. You also have the right to lodge a complaint with the Office of the Data Protection Commissioner (ODPC) of Kenya.

9 SECURITY MEASURES

Quantmind implements the following technical and organisational measures pursuant to Section 41 of the DPA 2019 and Section 29 of the Computer Misuse and Cybercrimes Act, 2018:

- JWT tokens stored exclusively in iOS Keychain / Android Keystore — never in AsyncStorage or browser localStorage
- Row-Level Security (RLS) policies on all Supabase database tables ensuring users access only their own data
- Service role keys isolated server-side; no privileged credentials in client bundles
- HTTPS enforced on all connections; HTTP security headers on all web deployments
- Multi-factor authentication (TOTP) required for all administrative access
- Admin sessions limited to 8 hours maximum with automatic re-authentication
- Immutable audit log of all administrative actions
- Weekly automated secret scanning and dependency vulnerability checks
- Biometric authentication available (local device only; biometric data never leaves the device)

10 COOKIES AND TRACKING TECHNOLOGIES

The Quantmind website (quantmind.app) uses cookies as detailed in our Cookie Policy (Document 6 of this package). Essential cookies are placed without consent. Non-essential analytics cookies are placed only upon your affirmative consent via the cookie banner. All analytics scripts are deferred until consent is obtained.

11 CHILDREN'S DATA

Quantmind is intended for users aged 18 and above. We do not knowingly collect personal data from persons under 18 years of age. If you believe we have inadvertently collected data from a minor, please contact us at privacy@quantmind.app and we will delete such data promptly.

12 CHANGES TO THIS POLICY

We may update this Privacy Policy from time to time to reflect changes in our practices or legal obligations. Material changes will be communicated by email to registered users and/or via an in-app notification at least 14 days before taking effect. Continued use of the platform after the effective date constitutes acceptance of the updated policy.

13 CONTACT AND COMPLAINTS

For all data protection enquiries: privacy@quantmind.app

For formal complaints: Office of the Data Protection Commissioner (ODPC), Nairobi, Kenya | www.odpc.go.ke

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

DOCUMENT 2

DATA PROTECTION ACT 2019 — COMPLIANCE STATEMENT

Issued pursuant to the Data Protection Act, No. 24 of 2019 (Kenya)

Purpose of this Statement

This Compliance Statement is a formal declaration by Quantmind of its commitment to and implementation of the requirements of the Data Protection Act, No. 24 of 2019 ("the Act"), the Data Protection (General) Regulations 2021, and the Data Protection (Registration of Data Controllers and Data Processors) Regulations 2021. It is intended for regulatory review, due diligence purposes, and user transparency.

1 DATA PROTECTION PRINCIPLES COMPLIANCE (DPA S.25)

Quantmind affirms compliance with the eight data protection principles under Section 25 of the Act:

Principle	Quantmind Implementation
(a) Lawfulness, Fairness & Transparency	Processing grounded in s.30 legal bases; this Privacy Policy provides full transparency
(b) Purpose Limitation	Data collected for specified purposes only; not repurposed without new legal basis or consent
(c) Data Minimisation	Only data strictly necessary for platform function is collected; PII stripped from AI context
(d) Accuracy	Users can update account data at any time; rectification requests processed within 21 days
(e) Storage Limitation	Data retention schedule maintained; automated deletion pipelines implemented
(f) Integrity & Confidentiality	Encryption at rest and in transit; RLS policies; MFA for administrators; audit logs
(g) Accountability	Data Controller responsibilities documented; DPO appointment in progress; records of processing maintained
(h) Restricted Processing	No processing beyond stated purposes; service-role keys server-side only; client RLS enforced

2 REGISTRATION AS DATA CONTROLLER (DPA S.17)

Quantmind acknowledges the obligation to register as a Data Controller with the Office of the Data Protection Commissioner (ODPC) of Kenya pursuant to Section 17 of the Act and the Data Protection (Registration of Data Controllers and Data Processors) Regulations 2021. Registration is to be completed prior to the commercial launch of the Quantmind platform. Evidence of registration (Certificate of Registration) shall be maintained and made available upon regulatory request.

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

3 DATA PROTECTION OFFICER (DPA S.24)

Section 24 of the Act requires certain data controllers to designate a Data Protection Officer (DPO). Quantmind is committed to appointing a suitably qualified DPO prior to commercial launch. The DPO shall:

- Be a natural person with professional expertise in data protection law and practices
- Be involved, properly and in a timely manner, in all issues relating to data protection
- Report directly to the highest management level of Quantmind
- Act as a point of contact for the ODPC and for data subjects exercising their rights
- Be contactable at privacy@quantmind.app pending formal appointment

4 RECORDS OF PROCESSING ACTIVITIES (DPA S.31)

Quantmind maintains a Record of Processing Activities (ROPA) as required by Section 31 of the Act. The ROPA documents:

- Name and contact details of the data controller
- Purposes of processing for each data category
- Categories of data subjects and personal data processed
- Categories of recipients to whom data is disclosed
- Details of cross-border transfers and safeguards applied
- Retention periods for each data category
- Description of technical and organisational security measures

The ROPA is available for inspection by the ODPC upon request.

5 DATA PROTECTION IMPACT ASSESSMENTS (DPA S.31)

A Data Protection Impact Assessment (DPIA) has been conducted or is in progress for the following high-risk processing activities:

Processing Activity	Risk Level & Mitigation
Multi-model AI processing of portfolio context	Medium — PII stripped from context before transmission; AI session logs retained 90 days only
Biometric authentication (Touch/Face ID)	Low — biometric data processed locally on device; never transmitted to Quantmind servers
Admin impersonation of user accounts	High — read-only enforcement at database level; 15-minute session expiry; full audit trail

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

Third-party financial API data processing	Low — proxied exclusively through server-side Edge Functions; client never holds API keys
Cross-border data transfers to US-based processors	Medium — contractual safeguards in place; Standard Contractual Clauses where applicable

6 CONSENT MANAGEMENT

Where Quantmind relies on consent as the legal basis for processing (marketing communications and non-essential cookies), the following consent management practices are implemented:

- Consent is obtained through a clear, affirmative action (opt-in checkbox or cookie banner confirmation)
- Consent is granular — separate consent for marketing emails and analytics cookies
- Consent is freely given, specific, informed, and unambiguous, meeting the DPA Section 32 standard
- A clear opt-out mechanism is provided in every marketing email and in platform settings
- Withdrawal of consent is as easy as giving it; withdrawal is processed within 5 business days
- Consent records (timestamp, method, user ID) are stored in the Quantmind database for audit purposes

7 DATA BREACH NOTIFICATION (DPA S.43)

In the event of a personal data breach, Quantmind shall comply with Section 43 of the Act:

- Notify the ODPC without undue delay and, where feasible, within 72 hours of becoming aware of the breach
- Where the breach is likely to result in a high risk to data subjects, notify affected individuals directly
- Document all breaches in a breach register, including facts, effects, and remedial actions taken
- Implement immediate containment measures upon discovery of a breach

Quantmind's breach response is operationalised through Sentry error alerting, Better Uptime incident detection, and the admin dashboard security monitoring module.

8 CHILDREN'S DATA (DPA S.44)

Section 44 of the Act imposes additional requirements for processing data of children. Quantmind's platform is directed exclusively at users aged 18 and above. No targeted processing of children's data occurs. If data of a person under 18 is inadvertently collected, it shall be deleted upon discovery or upon request, without undue delay.

9 PROCESSOR AGREEMENTS (DPA S.37)

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

All third-party data processors engaged by Quantmind are bound by written data processing agreements that require:

- Processing only on documented instructions from Quantmind
- Confidentiality obligations on all personnel with access to personal data
- Implementation of appropriate technical and organisational security measures
- Not engaging sub-processors without Quantmind's prior written authorisation
- Assisting Quantmind in fulfilling data subject rights requests
- Deleting or returning all personal data at the end of the service relationship
- Providing Quantmind with all information necessary to demonstrate compliance

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

DOCUMENT 3

TERMS OF SERVICE AGREEMENT

Quantmind | Effective Date: 1 March 2026

Important Notice

PLEASE READ THESE TERMS OF SERVICE CAREFULLY BEFORE USING THE QUANTMIND PLATFORM. BY CREATING AN ACCOUNT OR ACCESSING THE PLATFORM, YOU AGREE TO BE BOUND BY THESE TERMS. IF YOU DO NOT AGREE, YOU MUST NOT USE THE PLATFORM.

1 INTERPRETATION AND DEFINITIONS

Term	Meaning
"Quantmind"	The Quantmind platform, including the mobile application, website, backend services, and management infrastructure
"User" / "You"	Any individual who registers for or accesses Quantmind
"Services"	All features, tools, simulations, AI capabilities, and content provided through Quantmind
"Content"	All text, data, code, software, graphics, simulations, and other materials on the platform
"Subscription"	A paid tier (Plus, Pro, or Student/Academic) granting access to premium features
"Simulation Results"	Outputs generated by the Monte Carlo simulation engine, including risk metrics and charts

2 ELIGIBILITY

You must be at least 18 years of age to use Quantmind. By creating an account, you represent and warrant that you are at least 18 years old and have the legal capacity to enter into binding agreements under Kenyan law. Quantmind reserves the right to terminate accounts of users found to be under 18.

3 ACCOUNT REGISTRATION AND SECURITY

- You must provide accurate and complete registration information.
- You are responsible for maintaining the confidentiality of your account credentials.
- You must notify us immediately of any unauthorised access to your account.
- Quantmind is not liable for losses arising from your failure to secure your account credentials.
- One account per user. Creating multiple accounts to circumvent usage limits is prohibited.

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

4 SUBSCRIPTION, PAYMENT AND CANCELLATION

4.1 Subscription Tiers

Quantmind offers Free, Plus (KES equivalent of USD 9.99/month), Pro (KES equivalent of USD 24.99/month), and Student/Academic (USD 5/month, verified) tiers. Feature entitlements per tier are as set out in the Subscription Tier Matrix in the platform documentation.

4.2 Billing

Subscriptions are billed in advance on a monthly or annual basis via the applicable app store (Apple App Store or Google Play Store) through RevenueCat. All prices are in USD unless otherwise displayed. Annual subscriptions offer a 17-23% saving over monthly billing.

4.3 Free Trial

A 7-day free trial is available for paid tiers. No payment method is required to start a trial. At the end of the trial, you will be required to subscribe to continue accessing premium features.

4.4 Refunds

Refunds are governed by the refund policy of Apple App Store or Google Play Store, as applicable. Quantmind does not process refunds directly. Requests must be made through the relevant app store within their stated refund window.

4.5 Cancellation

You may cancel your subscription at any time through the app store. Cancellation takes effect at the end of the current billing period. You will retain access to paid features until the period end.

5 ACCEPTABLE USE POLICY

You agree not to:

- Use the platform for any unlawful purpose, including market manipulation or insider trading
- Attempt to reverse-engineer, decompile, or extract the source code of any part of the platform
- Use automated scripts, bots, or scraping tools to access platform data
- Share your account credentials or allow third parties to use your subscription
- Transmit malicious code, viruses, or any material that interferes with platform functionality
- Impersonate any person or entity or misrepresent your affiliation
- Use simulation outputs as the basis for investment recommendations to third parties without appropriate financial services licensing
- Circumvent any technical measures implemented to enforce tier entitlements

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

6 INTELLECTUAL PROPERTY

All intellectual property rights in the Quantmind platform — including but not limited to the software, algorithms, simulation engine, AI workflows, design system, brand assets, and documentation — are owned by or licensed to Quantmind. No rights are transferred to you by these Terms. Your rights are limited to a non-exclusive, non-transferable, revocable licence to use the platform for personal, non-commercial purposes during the term of your account. Detailed IP provisions are set out in Document 4 of this package.

7 SIMULATION OUTPUTS AND FINANCIAL DISCLAIMER

Simulation results, risk metrics, and all other outputs generated by the Quantmind platform are provided for educational and informational purposes only. They do not constitute financial advice, investment advice, or a recommendation to buy, sell, or hold any financial instrument. Quantmind is not licensed as an investment adviser, stockbroker, or financial planner under the Capital Markets Act (Cap. 485A) of Kenya or any other jurisdiction. Full financial disclaimer is set out in Document 5 of this package.

8 LIMITATION OF LIABILITY

To the maximum extent permitted by Kenyan law, Quantmind and its officers, employees, and agents shall not be liable for:

- Any investment losses or financial decisions made in reliance on simulation outputs
- Indirect, incidental, consequential, punitive, or special damages
- Loss of profits, data, goodwill, or business opportunities
- Interruptions to service, data breaches not caused by our negligence, or third-party failures

Our total aggregate liability to you for any claim shall not exceed the total subscription fees paid by you to Quantmind in the 12 months preceding the event giving rise to the claim. Nothing in these Terms limits liability for death or personal injury caused by our negligence, or for fraud.

9 GOVERNING LAW AND DISPUTE RESOLUTION

These Terms shall be governed by and construed in accordance with the laws of the Republic of Kenya. Any dispute arising out of or in connection with these Terms shall first be subject to good-faith negotiation for a period of 30 days. If unresolved, disputes shall be submitted to the jurisdiction of the High Court of Kenya, Nairobi Division, and both parties submit to the exclusive jurisdiction of Kenyan courts.

10 TERMINATION

Quantmind may suspend or terminate your account with or without notice if you breach these Terms, engage in fraudulent activity, or if we are required to do so by law. Upon termination, your right to use the

platform ceases immediately. We will retain your data for the periods specified in the Privacy Policy and delete it as required. You may request account deletion at any time through platform settings or by emailing privacy@quantmind.app.

11 CHANGES TO TERMS

We may modify these Terms at any time. Material changes will be notified by email and in-app notification at least 14 days before the effective date. Continued use after the effective date constitutes acceptance of the revised Terms.

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

DOCUMENT 4

COPYRIGHT & INTELLECTUAL PROPERTY NOTICE

Pursuant to the Copyright Act, Cap. 130 (Laws of Kenya) and the Industrial Property Act, 2001

COPYRIGHT NOTICE

© 2026 Quantmind. All Rights Reserved.

This platform, its code, algorithms, design, and all associated content are protected under the Copyright Act (Cap. 130, Laws of Kenya) and applicable international copyright conventions. Unauthorised reproduction, distribution, or modification is strictly prohibited.

1 LEGAL FRAMEWORK

Quantmind's intellectual property is protected under the following Kenyan and international legal instruments:

Instrument	Protection Afforded
Copyright Act, Cap. 130 (Kenya)	Source code, software, written documentation, UI/UX design, marketing materials, blog content, learning articles
Industrial Property Act, No. 3 of 2001	Potential patent protection for novel simulation algorithms; trade mark registration of the Quantmind name and logo
Business Laws (Amendment) Act, 2020	Enforceability of electronic agreements and digital IP rights
Berne Convention (Kenya is a signatory)	Automatic reciprocal copyright protection in 179+ member countries without registration requirement
TRIPS Agreement (via WTO)	Minimum standards for IP protection including copyright and trade secrets in all WTO member states

2 WORKS PROTECTED BY COPYRIGHT

The following categories of works in or relating to Quantmind are protected as literary, artistic, and/or computer program works under Section 22 of the Copyright Act, Cap. 130:

2.1 Software and Source Code

- The entire Quantmind monorepo codebase, including all React Native, TypeScript, Python, JavaScript, and SQL source files
- The Monte Carlo simulation engine, GBM path generator, Cholesky correlation module, and all derivative quantitative algorithms
- The multi-model AI task router, prompt templates, context assembly logic, and workflow execution engine

- All Supabase Edge Functions (Deno/TypeScript runtime) and backend API code
- The FastAPI simulation microservice, Docker configuration, and deployment scripts
- The React Native Skia chart components (FanChart, ProbabilityHistogram, CorrelationHeatmap, DiversificationGauge, RiskTemperatureGauge)

2.2 Design and User Interface

- The FX1 design system, including all design tokens, colour schemes, typography specifications, spacing systems, and component library
- All screen layouts, user interface designs, animation sequences, and interactive prototypes
- The Quantmind brand identity including the logotype, wordmark, iconography, and visual language
- All illustrations, graphics, and iconographic assets produced for the platform

2.3 Written Content and Documentation

- This Legal Documentation Package in its entirety
- The Quantmind Platform Documentation (Version 2.0, March 2026) and all technical reference materials
- All marketing website content, blog articles, and educational content (Learn section)
- In-app educational copy, tooltips, risk metric explanations, and onboarding content
- The AI prompt templates stored in the prompt_templates database table
- The simulation PDF report templates and narrative generation frameworks

2.4 Data and Databases

- The database schema, migration scripts, and Row-Level Security policy definitions constitute a protectable database structure
- The aggregated analytics data and simulation benchmark datasets (not individual user data)

3 TRADE MARKS

The following marks are claimed as trade marks of Quantmind and are subject to registration or pending registration with the Kenya Intellectual Property Institute (KIPI) under the Trade Marks Act (Cap. 506, Laws of Kenya):

Mark	Class (Nice Classification)
QUANTMIND (wordmark)	Class 36 (Financial services / portfolio analysis) and Class 42 (Software as a service)
QUANTMIND (logo)	Class 36 and Class 42
"Invest with foresight. Not just hindsight." (slogan)	Class 36

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

FX1 (design system name)	Class 42

Unauthorised use of any Quantmind trade mark in connection with competing or similar services is prohibited and may constitute passing off and/or trade mark infringement under Kenyan law.

4 TRADE SECRETS AND CONFIDENTIAL INFORMATION

The following elements of the Quantmind platform are designated as trade secrets and/or confidential information and are subject to protection under the common law of confidence, the Industrial Property Act, 2001, and this Notice:

- The specific parameter calibration methods used for GBM drift and volatility derivation from historical price data
- The multi-model AI task classification and routing decision logic, including the confidence thresholds and model selection matrix
- Subscription conversion and pricing strategy, cohort data, and revenue metrics
- The feature flag targeting rules and A/B experiment configurations
- Internal roadmap, investor materials, and financial projections
- System architecture details not publicly disclosed

Employees, contractors, and third parties with access to this information are bound by confidentiality obligations. Breach of confidentiality may result in civil proceedings and, where applicable, criminal prosecution under Section 26 of the Computer Misuse and Cybercrimes Act, 2018.

5 PERMITTED USE AND LICENCE GRANT TO USERS

Subject to these Terms of Service and your active subscription, Quantmind grants you a limited, non-exclusive, non-sublicensable, non-transferable, revocable licence to:

- Access and use the Quantmind mobile application and website for your personal, non-commercial financial analysis purposes
- Download simulation PDF reports generated by the platform for your personal records (Pro tier only)
- Share individual simulation result screenshots for personal use, provided the Quantmind watermark and attribution are not removed

This licence does NOT permit you to:

- Copy, reproduce, or redistribute any part of the platform's source code, algorithms, or proprietary content
- Create derivative works based on the Quantmind platform or its components
- Use simulation outputs commercially or as the basis for financial advice to third parties
- Remove, alter, or obscure any copyright, trade mark, or proprietary notices
- Sublicense, sell, rent, lease, or otherwise transfer your licence to any third party

6 OPEN SOURCE COMPONENTS

Quantmind makes use of certain open-source software components which are licensed under their respective open-source licences (including MIT, Apache 2.0, and BSD licences). The use of such components does not affect the proprietary status of the Quantmind platform as a whole. A full attribution list of open-source dependencies is maintained in the platform repository and made available upon request.

7 COPYRIGHT INFRINGEMENT — REPORTING AND ENFORCEMENT

If you believe that content on the Quantmind platform infringes your copyright, please submit a written notice to legal@quantmind.app containing:

- Your name, address, and contact details
- Identification of the copyrighted work claimed to be infringed
- Identification of the infringing material and its location on our platform
- A statement that you have a good-faith belief that the use is not authorised
- A statement, under penalty of law, that the information in the notice is accurate and that you are the copyright owner or authorised to act on their behalf

Quantmind will investigate all good-faith notices and take appropriate action including removal of infringing content. Quantmind reserves the right to pursue civil and criminal remedies against persons who infringe its intellectual property rights to the fullest extent permitted by Kenyan law.

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

DOCUMENT 5

FINANCIAL SERVICES DISCLAIMER

Pursuant to the Capital Markets Act (Cap. 485A) and the Investment Services Act

IMPORTANT: THIS PLATFORM DOES NOT PROVIDE FINANCIAL ADVICE

All simulation outputs are for educational and informational purposes only.

1 NOT A LICENSED FINANCIAL SERVICE PROVIDER

Quantmind is a technology platform providing quantitative simulation and educational tools. Quantmind is NOT:

- A licensed investment adviser, stockbroker, portfolio manager, or fund manager under the Capital Markets Act (Cap. 485A) of Kenya
- A licensed financial institution under the Banking Act (Cap. 488) of Kenya
- A licensed insurance intermediary under the Insurance Act (Cap. 487) of Kenya
- A registered investment scheme under any applicable Kenyan or international regulatory framework

Nothing on the Quantmind platform constitutes regulated financial advice, investment advice, a personal recommendation, or a solicitation to invest.

2 NATURE OF SIMULATION OUTPUTS

Monte Carlo simulations, risk metrics (VaR, CVaR, Sharpe Ratio, Maximum Drawdown), probability distributions, and all other quantitative outputs generated by the Quantmind platform:

- Are mathematical models based on user-provided parameters and historical market data
- Rely on assumptions including the Geometric Brownian Motion model, which may not accurately reflect real market behaviour
- Are probabilistic in nature — they describe a range of possible outcomes, not predictions of future performance
- Are highly sensitive to input parameters; small changes in volatility, correlation, or expected return assumptions can produce materially different outputs
- Do not account for all market risks including liquidity risk, regulatory risk, geopolitical risk, counterparty risk, or black swan events beyond modelled distributions
- Past market data used to calibrate simulations is not a guarantee of future performance

3 USER RESPONSIBILITY

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

Users of the Quantmind platform are solely responsible for:

- The accuracy of the parameters they input into simulations
- Their interpretation of simulation outputs
- Any investment decisions made in connection with or in reliance on Quantmind outputs
- Obtaining independent financial advice from a licensed professional before making investment decisions

Quantmind strongly recommends that users consult a qualified and licensed financial adviser, investment manager, or stockbroker before making any investment decisions. The platform is designed to supplement, not replace, professional financial guidance.

4 NO LIABILITY FOR INVESTMENT LOSSES

Quantmind, its directors, officers, employees, and agents expressly disclaim all liability for any financial losses, investment losses, or economic harm suffered by any user in connection with:

- Reliance on simulation outputs, risk metrics, or AI-generated commentary from the platform
- Errors, omissions, or inaccuracies in market data sourced from third-party financial data providers
- Platform downtime, data unavailability, or technical errors during critical market events
- AI-generated portfolio analysis or commentary that proves inaccurate or incomplete

All investments carry risk. The value of investments can go down as well as up. You may get back less than you invest.

5 THIRD-PARTY MARKET DATA

Market data used by the Quantmind platform is sourced from third-party providers including Alpha Vantage, Twelve Data, Finnhub, Yahoo Finance, and others. Quantmind does not warrant the accuracy, completeness, or timeliness of such data. Market data is provided as-is without representation or warranty. Users should verify important data points through multiple independent sources before relying on them for investment decisions.

DOCUMENT 6

COOKIE POLICY

quantmind.app | Effective Date: 1 March 2026

1 WHAT ARE COOKIES?

Cookies are small text files placed on your device when you visit a website. They are widely used to make websites function correctly, efficiently, and to provide analytical information to site owners. This policy applies to the Quantmind website at quantmind.app only; the mobile application uses local device storage governed by the Privacy Policy.

2 COOKIES WE USE

Cookie Type	Purpose & Legal Basis
Strictly Necessary (no consent required)	Session authentication, CSRF protection, load balancing, cookie banner preference storage. Legal basis: Legitimate interest / essential for service delivery
Analytics Cookies (consent required)	Vercel Analytics for Core Web Vitals, page view tracking, and performance monitoring. Legal basis: Consent. No personal profile is built; data is aggregate only. Deferred until consent obtained.
Preference Cookies (consent required)	Remembering language preferences and display settings. Legal basis: Consent
Marketing Cookies (consent required)	Not currently used. If introduced in future, this policy will be updated and fresh consent obtained.

3 CONSENT AND WITHDRAWAL

- Non-essential cookies are only placed after you click 'Accept' on the cookie banner displayed on your first visit to quantmind.app.
- You may withdraw consent at any time by clicking 'Cookie Settings' in the website footer.
- Withdrawing consent will not affect the lawfulness of processing that occurred prior to withdrawal.
- You may also control cookies through your browser settings — most browsers allow you to block or delete cookies.
- Blocking necessary cookies may impair website functionality.

4 RETENTION PERIODS

Cookie	Retention

© 2026 Quantmind. Confidential. Governed by the Laws of Kenya.

Session cookies	Deleted when you close your browser
Authentication cookies	7 days (matching JWT session duration)
Analytics cookies (Vercel)	Up to 24 months
Cookie consent preference	12 months (so we do not re-prompt unnecessarily)

5 THIRD-PARTY COOKIES

Quantmind uses Google Analytics via the Partytown web worker, which delays its execution until after user consent. We do not use third-party advertising networks. Any third-party script placed on the site is listed in this policy and subject to re-consent if new scripts are added.

6 UPDATES TO THIS POLICY

We may update this Cookie Policy from time to time. Updates will be reflected on this page with a revised effective date. Material changes will trigger a fresh consent banner.

7 CONTACT
